TO: U.S. Customs Users at Oakland County International Airport

RE: U.S. Customs

- **Change in service days**
- **Addition of inbound and outbound cargo clearances**

Ladies/Gentlemen:

Since 2003, there have been three U.S. Customs Inspectors at the airport to provide 7 day coverage. Unfortunately, due to increased costs and decreased traffic, it is necessary to cut back on the days of service offered.

While we don't yet have the exact date that the new schedule will go into effect, we wanted to provide as much notice as possible to the U.S. Customs users. When the new schedule goes into effect, two inspectors will provide service hours of 7:00 a.m. to 8:00 p.m., Monday-Friday, and flights will be charged in accordance with the following table.

Weight (in pounds)	U.S. Dollars
under - 12,500	no charge*
12,501 - 15,000	\$145.00
15,001 - 20,000	\$160.00
20,001 - 25,000	\$200.00
25,001 - 30,000	\$260.00
30,001 - 40,000	\$325.00
40,001 - 50,000	\$375.00
50,001 - 60,000	\$450.00
over 60,001	\$600.00

*Before or after hours and weekend users of Customs will be invoiced based on the charges for overtime, travel time and mileage that we receive from the Customs Service in addition to the appropriate user-fee rate as noted. *Please be advised that overtime fees can be substantial.*

We can either invoice you monthly for your Customs usage, or you can now make payment for the fees at the Airport Administration office at the time you clear Customs if it is between the hours of 8:30 a.m.-5:00 p.m., Monday-Friday. We can accept cash, checks, Visa, MasterCard & Discover. American Express is not accepted at this time.

Additional information regarding inbound and outbound clearances will be made available as soon as it is provided by U.S. Customs.

Very truly yours,

Karl W. Randall,
Manager of Aviation
