Title 24 Code of Federal Regulations Part 24 requires that the County not enter into contracts with any agency, corporation, partnership, or other legal entity that has been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by the Federal Government from participating in transactions involving Federal funds. As a condition of receiving funding under the Community Development Block Grant, HOME, Emergency Shelter, and Housing Opportunities for Persons with AIDS (HOPWA) programs, you are required to sign the certification below which specifies that neither you nor your principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in programs funded by a Federal agency.

It also certifies that you will not use, directly or indirectly, any of these funds to employ, award contracts to, engage the services of, or fund any contractor that is debarred, suspended, or ineligible under 24 Code of Federal Regulations Part 24.

If you need to determine whether your agency/firm has been debarred or suspended, or if a subcontractor you plan to hire is suspended or debarred, please refer to the following sources:

Instructions for Certification

1. By signing and submitting this document, the participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed. When the County determines that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the County, the County may terminate this Contract for cause or default.
3. The Contractor shall provide immediate written notice to the County if at any time the prospective participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549: 45 CFR Part 76.
5. The Contractor agrees that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the County.
6. The Contractor further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion- Covered Transaction," without modification, in all covered transactions and in all solicitations for covered transactions.
7. A Contractor may rely upon a certification of a prospective participant in a covered transaction that it is not proposed for debarment under [48 CFR part 9, subpart 9.4](#), debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A Contractor may decide the method and frequency by which it determines the eligibility of its principals. Each Contractor may, but is not required to, check the Non-procurement List (of excluded parties).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. If a Contractor is in a covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the County, the County may terminate this transaction for cause or default.
