Sixth Judicial Circuit Court – Family Division

September 1, 2006

To: Adoption Petitioners

The assigned caseworker will interview the child (adoptee) if he or she is over the age of six during the adoption investigation. Included in this interview will be an age-appropriate discussion about adoption.

We assume you have discussed the adoption process with your child. If this is not the case, we can recommend reading materials, support groups, and therapy options to assist you in how to inform your child of the adoption.

Sincerely,

Lauran F. Howard
Chief – Juvenile/Adoption Support Services
