

## APPENDIX C

### OAKLAND COUNTY PROJECT FIND

**Project Find** is a nationwide program that looks for individuals from birth to 26 years of age who have difficulties walking, talking, hearing or speaking, or those who have other physical, emotional or mental conditions that prevent them from keeping up with others their age. These conditions may make them eligible for educational services provided by public schools.

**Project Find** provides information about special education programs and services and helps arrange free educational evaluations to assist in locating a program for anyone eligible from birth to age 26.

**Project Find** exists to make sure that individuals with special needs receive the best possible education.

**Project Find** in Oakland County is available in all 28 schools districts, **Project Find** staff identify children who may be in need of special education services, and offers free evaluations to determine whether a child has a disability. Following the evaluation, the child is referred to an appropriate program in the local district or regional area. **Project Find** staff can provide parents with information about the growth and development of their child.

**Project Find** in Michigan operates a statewide Michigan hotline.

**Call 1 (800) 252-0052 toll free for information.**
