HEAD START PROGRAMS

The Oakland Livingston Human Service Agency's (OLHSA) Head Start Program is a comprehensive developmental preschool experience designed to strengthen low income families by preparing their three-to-five year old children for social and educational success. Since the program was launched in 1965 as part of the country's "War on Poverty," programs in Oakland County have helped to create brighter futures for over 20,000 children. We provide Head Start services in 17 communities across the county. Listed below are the address and phone numbers for the Oakland County Head Start sites. **Head Start Administration Office phone number is (248) 858-5162.**
