Monday - Friday, 8 a.m. to 5 p.m.

Wednesday, 8 a.m. to 8 p.m.

CLIENT ELIGIBILITY: Adults 17 years of age and older, in need of treatment for alcohol and other drug disorders.

SERVICES PROVIDED: Residential treatment - Lengths of stay ranging upward from 3 days, depending on referral arrangements and assessed treatment need. Services include: intake, limited sub-acute medical services, individual and group therapy utilizing a highly effective and innovative cognitive-behavior curriculum of treatment, adult education classes, women's groups, parenting skills classes, 12-step meetings, non-denominational worship services, didactic lectures, informational medical presentations, confidential testing and counseling for HIV/AIDS and other STD's, recreational therapy including aerobics classes and art & crafts, cooking classes, aftercare referrals and follow-up. 24-hour staffing, closed-circuit time lapse videotape recorded television monitoring, urine testing and PBT testing (random/for cause) and hourly population counts assist with maintaining a safe and wholesome treatment environment. Work/Release Treatment Program (WRT) - Self-pay residential treatment specifically designed for clients who are already employed and require residential treatment that substantially limits their mobility in the community. Referrals for varying lengths of stay accepted from Circuit and District Courts. Self-referrals also accepted. Services include all those listed in Residential Treatment, above, structured into a schedule that also permits the referred person to maintain employment. Outpatient Treatment - Long-term (up to 30 weeks) outpatient services utilizing a cognitive-behavioral treatment curriculum. Open enrollment permits referred persons to enter at any time. Referrals accepted from Circuit and District Courts. Self-referrals also accepted. Admissions take place during regular business hours. Group and individual therapy sessions conducted during evening hours to minimize interference with client employment. SARF/Driving Assessment/ Self-pay evaluation and assessment, often provided for submission to the Secretary of State to support reinstatement of driving privileges following a drinking and driving offense. Assessment includes interview and the administration of four assessment devices to ascertain continued need for treatment. This assessment can be requested by any Circuit or District Court or by the individual whose driving privileges have been revoked. A full written report, including referral recommendations for treatment when indicated, is provided.

CLIENT FEES: Public funding is available for outpatient and some residential service for no or low-income clients. WRT program fees are \$50/day, with ten days of fees due and payable upon admission. SARF Assessment is \$125, due and payable during interview. Major credit cards accepted. Call for specific information.

INTAKE PROCEDURES: Call for an appointment and additional information.

VOLUNTEERS: Complete screening and meet admission criteria for the various programs.

FUNDED BY: Contracts with local, regional, and state entities; self-pay; and fundraising. Donations are welcome and tax deductible.
