### OFFICE HOURS:

Monday - Friday, 9 a.m. to 5 p.m.

**SERVICES PROVIDED:** Person-Centered Planning - providing person centered planning that assists consumers, on an individual basis, in learning the skills necessary to move to a less restrictive setting.

Self-Determination - to advocate for people who have disabilities to determine their own futures, with appropriate assistance from families and friends.

Advocacy - Dream Weavers, a program developed by New Passages, sees to it that every consumer associated with New Passages has an advocate who will help with person-centered-planning and self-determination, which allows individuals to realize their dreams.

Residential Treatment - with varying degrees of staff support and supervision to meet the health and safety needs of each individual consumer.

Dual Diagnosis Crisis Services - providing psychiatric assessment, individual group therapy, medical stabilization, community reintegration, and discharge planning at Parkway Place in cooperation with Common Ground Sanctuary, Office of Substance Abuse-Oakland County, Oakland County Community Mental Health Authority, and The Counseling Center.

Service Coordination - to assure that people with mental illness get all of the services to which they are entitled and to coordinate those services.

Outpatient Services - offers a wide range of diagnostic and treatment options geared toward meeting the specific mental health needs of individuals. The outpatient mental health clinic is family-focused and provides healthy treatment designed to maximize the client's quality of life and emphasize individual empowerment. The clinic offers counseling for individuals, families, and couples. Services are available for children, adolescents, and adults.

Crisis Residential Treatment - a proactive crisis residential program that decreases inpatient bed days with a hospital diversion program.

Basic Community Living Skills Training - to improve each individual's ability to care for himself or herself within the living, working, and learning environment allowing for integration in and participation with their own communities, neighborhoods and families.

Vocational Skills Training - that will satisfy individuals' needs for personal enjoyment of community recreational resources and activities, and expand their vocational interests.

Job Placement Services - offers a six-week employment-training program through both our clubhouses, to those members who are eligible and interested in working. This program is designed to help and assist members in the preparation and placement of employment positions.

Behavioral Services - developing effective interventions designed to assist consumers with challenging behaviors to lead successful and satisfying lives in the community.

Homeless Outreach - providing homeless individuals with transitional housing and in-home programming.

Substance Abuse - providing psychiatric assessment, individual and group therapy, medical stabilization, community reintegration, and discharge planning at Parkway.

Housing Development - Housing Plus, Inc., a subsidiary of New Passages, develops safe, appropriate and affordable housing through acquisition, new construction and rehabilitation for low-income persons, particularly those with disabilities.

Senior Center - providing services to adults 60 and over who have a diagnosed mental illness. This program offers social activities, events, cognition-building exercises, and community outreach services for this client population, and their caregivers.
