BRANCH OFFICES/AFFILIATED HOSPITALS:

Detroit Medical Center, Farmington Hills, Livonia, Warren, Detroit, and Southfield.

OFFICE HOURS:

Triage office, 8 a.m. to 6 p.m., five days a week.

Other hours depend on site and program.

CLIENT ELIGIBILITY: No restrictions.

SERVICES PROVIDED: PBMP provides a full range of mental health and substance abuse services for all ages at the Detroit Medical Center and throughout the Detroit Metropolitan area on both an inpatient and outpatient basis. Direct clinical services are provided by WSU faculty, trainees closely supervised by WSU faculty, or other licensed clinicians. In addition to traditional clinical services, clients have the opportunity to receive treatment in state-of-the-art clinical research programs. Multi-disciplinary staff specialize in a variety of areas including, but not limited to: anxiety disorders, social phobia, post-traumatic stress, psychological factors related to medical disorders, ADHD in children and adults, crisis stabilization, schizophrenia, mood disorders, neuro-psychological assessment, work-related problems, developmental disorders, and substance abuse.

CLIENT FEES: Fees vary depending on service. Many insurances are accepted. Sliding-fee scale based on income also available.

INTAKE PROCEDURES: Contact centralization triage office for initial screening and appropriate referral based on clinical, financial, and geographical needs.

FUNDED BY: Patient fees, insurances, public grants, and private grants.

HANDICAPPED ACCESSIBLE: Yes.

EMERGENCY SERVICES: Yes.

LANGUAGE SERVICES OFFERED: English, and several providers speak a variety of other languages.
