PROPOSALS:

OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property except principal residence, qualified agricultural property and qualified forest property required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, exempting therefrom principal residence, qualified agricultural property and qualified forest property as defined by law, in Madison District Public Schools, Oakland County, Michigan, be increased by 19 mills (\$19.00 on each \$1,000.00 of taxable valuation) for a period of 5 years, 2007 to 2011, inclusive, to provide funds for operating purposes (18.6452 mills of the above is a renewal of millage which expired with the 2006 tax levy and .3548 mill is a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and levied in 2007 is approximately \$2,646,000?
