PROPOSAL(S):

BONDING PROPOSAL

Shall Novi Community School District, Oakland County, Michigan, borrow the sum of not to exceed Twenty-Six Million Four Hundred Thousand Dollars (\$26,400,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

erecting, furnishing and equipping additions to and remodeling, refurbishing and re-equipping school district buildings; acquiring and installing educational technology improvements; acquiring and installing building security systems; and developing and improving playgrounds and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2007 is .49 mill (\$0.49 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, will not exceed twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is .64 mill (\$0.64 on each \$1,000 of taxable valuation).

If the school district borrows from the State to pay debt service on the bonds, the school district may be required to continue to levy mills beyond the term of the bonds to repay the State.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
