**CITY OF PONTIAC CHARTER AMENDMENT PROPOSAL FOR GENERAL OPERATING TAX INCREASE**

An amendment to Section 5.205 of Article V, Chapter 2, of the Pontiac City Charter

This amendment proposes to increase by 2.0 mills (\$2.00 per \$1,000 of taxable value) the amount of taxes which may be levied against ad valorem property in the City of Pontiac, County of Oakland, State of Michigan for City purposes. It is estimated that if levied 2.0 mills would raise approximately \$2,945,899.84 when first levied in 2009.

Shall the proposed amendment be adopted?
