PROPOSAL(S):

PROPOSED AMENDMENT OF SECTION 13.5 OF ARTICLE 13 OF THE CHARTER OF THE CITY OF SYLVAN LAKE

This amendment will authorize the levy of new additional millage in the amount of not to exceed two and one-half (2.5) mills for 10 years, 2009 through 2018, inclusive, for municipal purposes. It is estimated that if levied, 2.5 mills would raise approximately \$263,154.15 when first levied in 2009.

Shall the proposed amendment be adopted?
