**PROPOSAL(S):**            CHARTER MILLAGE RESTORATION PROPOSAL

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Village of Beverly Hills, County of Oakland, State of Michigan, be increased to restore the 11.00 Village Charter Millage Authorization previously approved by the Village Electors in 1995, which millage has been reduced by the operation of the Headlee Amendment to provide funds for general operating purposes? It is estimated that the 1.6199 mills would raise approximately Nine Hundred Sixty Five Thousand Five Hundred and Fifty Four Dollars (\$965,554) when first levied in 2009.
