PROPOSAL(S): CHARTER AMENDMENT

If the full amount of the property taxes authorized by this proposed amendment is levied by the Village Council in the year 2010, then the estimated amount of revenue that will be collected is \$135,375. Should Section 8.5 of the Village of Milford Charter be amended to include a new additional millage that would increase the charter tax rate by .5 mills (which is equal to \$0.50 per \$1,000 of taxable value) for five years, 2010 through 2014, for the purpose of defraying the cost of major and local road maintenance?
