

**FARMINGTON PUBLIC SCHOOL DISTRICT
PRIMARY ELECTION – AUGUST 3, 2010**

OPERATING MILLAGE RENEWAL PROPOSAL

This proposal would allow the renewal of the mills previously levied by the Board of Education of the Farmington Public School District for general operating purposes which expires with the District's 2010 tax levy. Under this proposal, due to current enrollment projections and statutory exemptions, the District would be authorized to levy no more than 13.5735 mills on principal residences (also known as homestead property or owner-occupied homes), and qualified agricultural property, and the School District would receive revenues at the full foundation allowance permitted by the State.

As a renewal of the previously approved millage authorization which expires with the 2010 tax levy, shall the limitation on the amount of tax upon taxable property in the Farmington Public School District, County of Oakland, Michigan be increased by 18.00 mills (\$18.00 per \$1,000 of taxable value) to the extent such property is not statutorily exempt, and of which not more than 13.5735 mills (\$13.5735 per \$1,000 of taxable value) would continue to be permitted under existing law to be levied on principal residences and qualified agricultural property, for five (5) years, the years 2011 to 2015, inclusive, to provide funds for operating expenses of the Farmington Public School District? If approved, this millage would raise an estimated \$50,145,000 for the District in 2011.
