Department	Emergency Response and Preparedness		Division	
Service Provided	Siren Program	Brief Description	Install/maintain/replace 215 tornado sirens across the County	
Timeframe	Current	Service Provisions Joint Operating Agreements Tornado Siren - the CVT pays 75%/County 25% of initial costs.		
CVT Benefit	Cost effectiveness	Funding	Combination	
Resources	Human resources, technical and equipment	Mandated By	State	Mandate Info County must supply ERP but CVTs would have to operate their own siren system if their population was over 10,000 and the County did not provide a system. Responsible Entity
Discontinued Date	Misc Note	In a power outage situation, the talk back system on the tornado sirens can monitor area power outages and sense when area power is back on. This information is sent back to the ERP center. Participation in the Siren Program requires only a Board/Council resolution, not an executed contract.
