

52-4 District Court Community Service Program
Rules and Regulations

1. Your Probation Officer will provide you with your Court Community Service Work due date at your first probation appointment.
2. If you have been referred to do Community Service in lieu of Court ordered monies; verification of Court Community Service Work must be provided on a monthly basis. You must notify your Probation Officer immediately if you become able to begin making payments.
3. You are to keep track of your hours, along with your Supervisor. To avoid miscounted hours, be sure to sign in and out every time you do Community Service at your agency.
4. Credit will only be given for work that is completed to the agency's satisfaction.
5. After you have completed your hours, you must obtain a letter of verification on agency's letterhead stationary. The letter must be signed by your supervisor and include number of hours worked and the time period.
6. Community Service work must be done at a non-profit agency. No credit will be given if the agency does not have a 501(C3) Tax Identification Number.
7. On days that you cannot report to work, you shall telephone your Supervisor before your work starting time and advise your Supervisor of the problem.
8. Never show up to your agency under the influence of any illicit drugs or alcohol.
9. If you should get fired or laid off, you must notify your Probation Officer immediately.
10. If you do not comply with any one of the above rules, your Probation Officer will be notified. In the case of Community Service only, the Judge will be notified. In either case, you may be ordered back to Court for a Violation Hearing.

Court Community Service Work is not limited to the list of agencies provided in this packet. Work may be done at any non-profit organization. If you have any questions regarding the Community Service Program, please contact your Probation Officer immediately.
