Oakland County Executive Delivers Plans for 2009 H1N1 (Swine) Flu Vaccine Distribution

PONTIAC, MI – October 7, 2009 – Oakland County Executive L. Brooks Patterson held a news conference on Tuesday, October 6th to discuss county plans for dispensing the H1N1 flu vaccine to Oakland County residents. At the news conference Patterson was joined by George J. Miller, county director of health and human services; Kathleen Forzley, the county's health officer; and Dr. Julie Vaishampayan, chief of medical services for Oakland County.

Health Division officials outlined:

- Target populations to receive the first round of vaccine
- The plan for distributing 2009 H1N1 vaccine to target populations
- Partnerships with hospitals, health care providers and schools

Patterson and Health Division officials detailed locations within the county where the flu vaccine will be provided and when it is expected to be available in Oakland County.

For further details regarding the H1N1 vaccine distribution plan, go to the Oakland County Health Division website at www.oakgov.com/health or call Nurse on Call at 800-848-5533.
