

Oakland County Health Division's Nurse-Family Partnership Wants to Give All Infants the Best Start

The Nurse Family Partnership Is A Free Program For First Time Pregnant Moms

We're Concerned . . .

Black infants in Pontiac have a lower survival rate than other infants.

We're looking to you . . .

to make referrals to our program.

We're ready to help . . .

- work intensively with first time moms.
- find necessary resources such as prenatal care, food, shelter, appropriate medical treatment, etc.
- moms understand pregnancy and delivery.
