FOR IMMEDIATE RELEASE

Oakland County Health Division Partners with Meijer Pharmacies for H1N1 (Swine Flu)

Oakland County, MI (May 8, 2009) – The Oakland County Health Division (OCHD) is announcing a community partnership with Meijer pharmacies to distribute antiviral drugs that combat influenza type A H1N1 (Swine Flu).

The Health Division recently received antiviral drugs from the federal government, Tamiflu and Relenza, both of which are effective in treating H1N1 (Swine Flu). Recognizing a need to make these medications widely available in locations across the community, OCHD partnered with Meijer Stores, who volunteered to dispense the medications free of charge at their pharmacies across Oakland County.

“This partnership is a testament to this companies’ commitment to the community,” said Kathy Forzley, Manager/Health Officer for the Oakland County Health Division.

After consulting with your physician, if a prescription for Tamiflu or Relenza is needed and meets the Centers for Disease Control (CDC) criteria, individuals may bring them to the following Oakland County Meijer pharmacies to be filled free of charge:

- 5150 Coolidge Highway, Royal Oak
- 4200 Highland Rd, Waterford
- 3175 Rochester Rd, Rochester
