

# Auburn Hills

A community you can LIVE in!

Synonymous with research, technology and light industrial parks, Auburn Hills sparkles with new industrial growth. Favorable zoning, available tracts of land, facilitating efforts from nearby Oakland University and innovative corporate planning contributed to the establishment of the concentration of hi-tech businesses in this community. Situated at the intersection of the I-75 and M-59 corridors, Auburn Hills is also a community of neighborhoods, friendly folks and superior schools. Residential areas reflect a unique diversity that brings back the warmth and charm of times past. With many recreational opportunities, the Palace of Auburn Hills (home of the NBA Detroit Pistons), and a state-of-the-art civic/governmental campus, Auburn Hills is a special place that could easily be called home.
