

Groveland Township

A community you can LIVE in!

Country living, rural agriculture, and large state recreation land holdings provide the undeveloped rural character of this township. The Township of Groveland is a favorite location for church, educational and youth organization camps. Nestled within its expansive greenways is Groveland Oaks County Park. This 360-acre facility offers picnicking, swimming and family camping. The park also has boat rentals, bike rentals and a spiraling waterslide. The abundance of recreational areas and facilities makes Groveland a major consideration for relocators looking for availability of outdoor activities.
