

# Lake Angelus

A community you can LIVE in!

The City of Lake Angelus surrounds a lake of the same name. It is Oakland County's smallest city according to 2008 SEMCOG estimates with a population of 305.

Almost entirely residential in nature, Lake Angelus became a city on January 1, 1984 after having been an incorporated village since May 1930. Men and women who came to Three Mile Lake shortly after the turn of the century and citizens who have come since seeking the tranquility of a natural environment have had the foresight and determination to preserve what they found. There is very little vacant property in the city so future growth is limited.
