

Milford Village

A community you can LIVE in!

The Village of Milford can be described as a classic example of small town mid-America. The village serves as a commercial center for a population of approximately 25,000 and has a lot of vitality and charm. Shops, restaurants and recreational facilities regularly bring visitors from communities such as Ann Arbor and Dearborn. The banks of the Mill Pond in the center of town are a pleasant place to stroll. Central Park has a pavilion. Situated on a main connector road between I-96 and M-59, it provides easy access to work, markets and leisure activities. Nearby township parks provide an abundance of outdoor activity. Kensington Metropark is a spectacular area with a lake, woods, beaches, and trails for all kinds of recreational pursuits. Proud Lake Recreation Area offers 1,100 acres and Camp Dearborn 600 acres. Milford is unique in having an optional year-round school program at three schools for kindergarten through fifth grade students.
