

# Novi

A Community you can LIVE in!

Novi is truly an exciting home town: one with a growing national and international reputation for innovation and quality. Our neighborhoods are safe, welcoming places where friends and families are creating networks of caring, involved citizens. Recognition of our home town achievements has come from such diverse places as Better Homes and Gardens "Home of the Year" awarded to Autumn Park, the Chain Store Age "Retail Store of the Year-Best Supermarket" awarded to Vic's World Class Market, and our Novi Community School District being nationally recognized as a Gold Medal District by Expansion Management Magazine. The City of Novi experienced significant growth during the 1980s. Rural residential development has decreased due to a rapidly developing commercial center with attendant residential and industrial development. A completely new city center was constructed in what was once farmland taking advantage of anticipated growth and freeway access.
