

# POPULATION GROWTH

## *Regional Share of Population*

2008 Census Population

2035 Population Projection

- ◆ Beginning in 2010, one in every four residents in Southeast Michigan will call Oakland County home.
- ◆ By the year 2035, 26% of the region's 18-to-64-year-olds will live in Oakland County.
- ◆ Oakland County's 5-year growth rate is projected to be 1% higher than the Southeast Michigan region as a whole.
