

OAKLAND COUNTY INTERNATIONAL AIRPORT

(OCIA) FAA identifier code: PTK
<http://www.oakgov.com/aviation>

- ◆ OCIA is the county's aviation gateway to the world and is the premiere corporate and general aviation airport serving Oakland County, Metro Detroit, and Southeast Michigan.
- ◆ Over half a million passengers and pilots pass through the airport every year. More than 800 private and corporate aircraft are based here. In the course of a year virtually all the Fortune 500 companies use the OCIA.
- ◆ Michigan's first LEED certified airport, OCIA is located just west of Pontiac in Waterford Township. Featured "green" amenities include a living wall to purify inside air, wind, solar and geothermal for supplied utilities, electric car charging stations, conference center with catering kitchen, outdoor family-friendly observation area, and available commuter offices. [Contact](#) OCIA staff for additional details.
- ◆ With three runways and six facilities providing full-service [Fix Based Operators](#) (FBO), OCIA ranks as the 116th busiest airport in the nation with 119,581 takeoffs and landings. It is ranked as the nation's twelfth busiest general aviation airport and second to Detroit Metro in Michigan*.
- ◆ The primary runway at OCIA measures 6,520 feet by 150 feet, and is capable of handling most corporate air transportation. A second runway is 5,675 feet by 100 feet, and the third is 2,585 feet by 75 feet.
- ◆ General [pilot information](#) including landing fees, GRE, approach and lighting, and frequencies are found on the OCIA website.
- ◆ Fuel services and maintenance, as well as the entire range of aircraft services are available from FBO facilities. New and used aircraft sales operations and flight training schools offer resources for current and future pilots in Oakland County.
- ◆ [Customs Service](#) accommodating up to 70 passengers per flight is available 7 a.m. to 8 p.m., Monday-Friday and "on call" (with a minimum three-hour notice) at all other times.
- ◆ Every year, OCIA hosts the International Airport Air Fair Open House, displaying commercial and military aircraft from all over the world and offering rides on select airplanes and helicopters. Visit www.airfairocia.org for more information.
