

PUBLIC SAFETY

Safety adds to Quality of Life in Oakland

- ◆ There are 46 law enforcement agencies protecting the citizens of Oakland County including 42 community departments, college departments, the Sheriff's Office and the Michigan State Police. Oakland County has the largest "full service" Sheriff's Office in the State of Michigan. With a current jurisdictional population of 1.2 million residents, the Sheriff's Office services over 273,000 of those residents through law enforcement contracts in 14 different communities. More Info: www.oakgov.com/sheriff
- ◆ Oakland County's Courts and Law Enforcement Management Information System (**CLEMIS**) is a state-of-the-art computer network used by criminal justice and public safety agencies. Serving as a technical link among multiple agencies, CLEMIS promotes communication and sharing of criminal justice information. The CLEMIS vision is to **empower criminal justice and public safety agencies** to maximize the use of collected data, so they may enhance their daily operations and perform comprehensive planning. More Info: www.oakgov.com/clemis
- ◆ The **Senior Cell Phone Program** equips seniors with a mobile means of contacting help in the event of an emergency. Promotion of the ICE – **In Case of Emergency** campaign. Enter ICE on your cell phone with the number of your emergency contact; it could save your life!
- ◆ The **Child Internet Safety Program** - In an effort to equip parents with the necessary tools to protect their children, the Sheriff's Office holds Internet safety presentations for students and adults. This program is a reaffirmation of the Oakland County Sheriff's Office commitment to child safety. More Info: www.oakgov.com/sheriff/community_services
- ◆ Oakland County **Homeland Security division** provides planning, response, recovery and mitigation services for natural, technological, national security and nuclear emergencies or disasters affecting Oakland County, Michigan. More Info: www.oakgov.com/homelandsecurity
