**Subject:** Leadership Group request

Hi Jim,

On behalf of the Prosecutor's Office I am requesting to move 100 hours from the Courts Unallocated EB to the Prosecutor's EB to be used to enhance the Prosecutor's website. Updates need to be made to the biography for the current Prosecutor, the status of our Divisions, including Chiefs, etc. The website will also be used to allow citizens to make comments about our office and detail new initiatives that we have planned.

There are currently 434 hours in unallocated budget. Would you please request an e-vote from the Courts' leadership Group to move these hours?

Let me know if you have any questions.

Thanks, Betsy
