Subject: RE: request

I have received a unanimous vote of approval for the request from Circuit Court. Thank you all for your quick responses. We'll see you all again on 7/29/09 for our regularly scheduled meeting.

Subject: request

There has been a request from John Cooperrider from Circuit Court for 88 hours to be moved from unallocated to their department's enhancement budget for an on-hold message system for their department. If you have any questions about the project, please contact John or Rick Perry directly.

Otherwise, please indicate in your response a "yes" or "no" to their request. Once I receive all the responses from the voting members, I will pass that along to them, thank you.

Jim

PS- my vote is a "yes"
