

Oakland County Department of Information Technology
Scope Budget Increase

Change Request ID: 100791

Project Information	
Project Name: Salary Forecast Program Enhancements	Requested By: Chithra Chakrapani
Description of Change: Customer requested additional benefit plans to be incorporated to the Salary Forecast Program.	
Business Justification: There is a need to establish a flexible analytical tool capable of accurately forecasting salaries and fringe benefits. The weaknesses relative to forecasting the retirement component must be addressed to satisfy the increased myriad of retirement possibilities.
