All: Please review the attached documents and let me know if you're willing to take an e-vote on this Health & Human Services project. The project requires sizing and H&HS has secured the remaining grant funding necessary.

George,  
Happy New Year to you as well.

I have forwarded this to Art Holdsworth, as the Finance / Admin LG Chair, he would prepare any requests for the Leadership Group's consideration.

IT will deploy these documents to the website today for the member's review.

Thanks

Morning Janette,

Happy New Year! Hope all is well with you and your family.

Could you please send out an e-vote to the Finance and Admin Leadership group for our project that requires sizing? We have secured the remaining grant funding necessary to fully fund this project.

Leigh-Anne has provided more detail below and what is attached. If you have any questions, please call me at 8-1293.

Thanks so much.  
George

George,

We need to request an e-vote from the Finance & Admin Leadership group to have the attached projects sized for the January meeting. We need this to go out ASAP so Janet's team has time by next Tuesday to size the projects.

The School Communication Portal project is Grant funded so an ROI is not required. The PPHS IRMS Implementation has a Scope and ROI since part of the funding was allocated from a Board of Commissioners Miscellaneous Resolution #01105 and the other part is GAC funds.

Thanks

Leigh-Anne
