Hi Janette,

The last couple of weeks have been a little crazy; I just wanted to make sure you knew this was approved.

At the last meeting we agreed to an e-vote on the attached project. This project is fully funded. Please vote to approve sizing and vote to prioritize at #8.

Thank you

Todd,

In George Miller's absence I am requesting an e-vote to approve IT sizing for the OCHD Services Registration project that will be funded by H1N1 dollars. I have attached the Scope and Approach document presented at the January, 2010 meeting. Please let me know if you have any questions or concerns. Thank you,

Kathy
