Subject: RE: E-Vote

Thank you,

We have 8 "Yes" votes (including myself) and Pat Davis is out of town. Therefore, the transfer of hours is approved.

Subject: E-Vote

Group,

I would like to request an e-vote to move 75 hours from the Central Services Enhancement Budget to Central Services Print Shop. As you are aware, we have made some modifications to the I.T. Service Center so it may function as a Print Shop database. Some additional enhancements are required for final implementation.

Tim and Art I am not sure which of you should vote for Fiscal Services.
