Hi Janette,

Both of these items passed with all Yes votes, however Cathy did not vote.

Thanks,

Todd

Group,

I would like to request an E-Vote to move 20 hours into the Central Services Enhancement Budget. The hours will be used to complete an enhancement to our Mail System and the conversion of the Vehicle Operations fuel management system. Presently, 355 hours remain unallocated in our group enhancement budget

The request is as follows:

1. Request for an E-Vote
2. Transfer 20 hours to the Central Services Enhancement Budget
