

Oakland County Department of Information Technology
Enhancement Request

Change Request ID: 101609	Leadership Group: Land Systems
---------------------------	--------------------------------

Project Information

Project Name: Facilities Maintenance & Operations EB	Requested By: Janet Brinker
--	-----------------------------

Description of Change: Create an interactive website that will provide users the ability to view Oakland County energy consumption data for each building.

Business Justification: Inform the public and employees of the energy consumption for each Oakland County building and for the county as a whole. Demonstrate progress made towards achieving the goal of reducing overall energy consumption by 15%

Deliverables Impacted:

Change Request Cause / Change Request Impact Assessment

Comments: By navigating to a specific building on a graphic representation of the campus, a user can see the description of the building as well as its annual electrical, natural gas, water, and steam consumption using bar charts.

This website will comply with EEBG reporting requirements.

Estimated Hours to Complete Change:	106.00	Change Request Date:	1/6/2010
-------------------------------------	--------	----------------------	----------

Authorization

I authorize/deny this Enhancement Request based on the above impact assessment and effect to the Enhancement Budget (see attached).
