

Oakland County Department of Information Technology
Enhancement Request

Change Request ID: 101704	Leadership Group: Land Systems
---------------------------	--------------------------------

Project Information

Project Name: Treasury Applications EB	Requested By: Marc Groder
--	---------------------------

Description of Change: Create a BSA.Net environment for the County Treasurers office. This system will be housed in a production environment, but will be considered an operational system as it will not be transaction-based.

Business Justification: County Treasurer will be able to import CVT data from Non-participating units that are already on BSA.Net, in order to perform analysis and general business functions.

Deliverables Impacted:

Change Request Cause / Change Request Impact Assessment

Comments Will install the application on 24-workstations.

Estimated Hours to Complete Change: 36.00	Change Request Date: 3/3/2010
---	-------------------------------

Authorization

I authorize/deny this Enhancement Request based on the above impact assessment and effect to the Enhancement Budget (see attached).
