**Subject:** RE: Land Leadership Electronic Vote

Good Afternoon,

On the question ...

Do you approve a request to size these three Parks and Recreation 2010 projects:

1. Revenue Data Development
2. Asset Management System implementation
3. Customer Information Management implementation

The votes are in ... **10 Yes / 0 No** ... and in accordance with the committee rules, the request to size these projects is **approved**.

Thank you all for quick response to this request.

Regards,

**Kevin R. Larsen**

**Subject:** Land Leadership Electronic Vote

Land Leadership Members,

This email is a request for an electronic vote by the Land Leadership Group Committee.

**The question before the committee is YES or NO:**

**Do you approve a request to size these three Parks and Recreation 2010 projects:**

- 1. Revenue Data Development**
- 2. Asset Management System implementation**
- 3. Customer Information Management implementation**

These projects will fall under the next Master Plan and will be **fully funded** by the P & R Department.

The Scope and Approach and ROI (containing savings detail only) have been posted to the Land Leadership Group 2009/10 Master Plan Requests at the following link:
