**Subject:** FW: Electronic Vote for Michigan Business Tax- Phase 2

I am asking for an Electronic vote on the attached project as we are running in to state mandated deadlines that effect both Equalization and the Treasurers offices.

This electronic vote is for phase 2 of the Michigan Business Tax (MBT) Project, please see the attached Scope & Approach document.

The first phase of the MBT was approved and prioritized at the October 2008 meeting, which is now complete. We are requesting project approval and prioritization of the second phase, which requires 632 hours and will allow us to meet State mandates due May 1st, June 1st, and July 1st.

This State mandated project is fully funded, therefore an ROI is not required. Resources are available to work on this project and will not impact other leadership group projects. With that said, I am recommending a project priority of #7.

Please send your vote ASAP.

Should you have any questions please give me a call 8-0624

For the record I vote Yes.

Thanks

P. Dohany
