Importance: High

Please see the request for sizing below and attached. Please send your vote ASAP.

As a reminder our next meeting is May 1st at 3:30 pm.

Thanks and I will vote yes for sizing.

Pat Dohany

Pat:

I would like to request the Land Leadership Group conduct an electronic vote authorizing the request to size the **Apex Commercial and Industrial Sketching Project**. Upon approval of this request IT will properly size and present the results at the next Land Leadership Group meeting on May 1st. Attached please find the scope and approach accompanied with the ROI.

This project will allow the Equalization Department to begin sketching in Apex in the Citrix environment.

Thank you for your consideration.
