You've just been appointed as a guardian. Are you thinking, "NOW WHAT?" Or maybe you've been acting as a guardian and you still have many questions. Either way, this class is for you.

This Basic Training course will provide essential information and tools for handling your duties as a guardian. The class is taught by a local attorney who is also a Public Administrator for Oakland County and is guardian over dozens of wards. Although he won't be able to provide legal advice regarding specific situations, he will be able to show you how to work through the procedures and forms you need to fulfill your legal responsibilities as guardian. He will also give you practical advice on how to handle many situations common to guardianships.
