Divers were to resume the search today for a 42-year-old Lapeer man who apparently drowned while swimming in Lake Nepessing Sunday in Lapeer County's Elba Township.

The man became tired while swimming with his children off a pontoon boat and went under the water at 1:14 p.m., according to the Lapeer County Sheriff's Office. A relative jumped in to try to help but could not find him.

Divers from the Oakland and Sanilac county sheriffs' offices searched for the man until 9 p.m. Sunday and were back in the water at 8 a.m. today, Lapeer County Sheriff's Office Lt. James McLain said.
