\$7,000 missing from Walled Lake school party fund

The Oakland County Sheriff's Office is investigating more than \$7,000 in missing funds for the Walled Lake Northern High School Senior All-Night Party.

Undersheriff Michael McCabe said today that the 41-year-old woman, who is the mother of a student at the school and helps to coordinate the party, collected the money Aug. 18. She told authorities that she had the bag of money, mostly checks but some cash, in her car at an event at the school on Oct. 2 but didn't notice it was missing until Oct. 5. She reported it missing to deputies Oct. 8.

School officials couldn't be reached for comment this afternoon.
