

Clarkston man, 83, dies from injuries sustain in Jan. 23 car crash

An 83-year-old Clarkston man involved in a traffic crash last week has died, the Oakland County Sheriff's Office said today.

John Gene Flack was driving his 2008 Hyundai Sonata in Independence Township on southbound Ortonville Road near Cranberry Lake Road about 6:41 p.m. Jan. 23, when he hit the Volvo, which was stopped in the road. The 43-year-old Volvo driver wasn't injured and the sheriff's office did not release the person's name.

Flack was taken to McLaren-Oakland Hospital by Independence Township Fire crews. It's unclear why the Volvo was stopped in the road and the crash is still under investigation.
