October 27, 2009 (Oakland County) - For parents looking for an alternative to their children consuming excessive amounts of candy at Halloween while engaging in a service project with their children, the Oakland County Sheriff's Office is accepting Halloween candy as part of a *"Treats for Troops"* effort to send thanks, encouragement, and sweets to our troops overseas. The OCSO also encourages parents and children wishing to participate to include notes (thank you, holiday, etc.) to the troops with the donation.

Halloween candy (individually wrapped, no chocolate please) may be dropped off at any of the Sheriff's Office substations listed below. There will be a drop box in the lobby of each participating substation. Operation from the Heart, a local organization that ships care packages to troops, will assist with the shipping portion of the project.
