## NO HAZ Accepts HHW

The NO HAZ program in Oakland County will accept household hazardous waste (HHW) from residents in NO HAZ member communities. HHW products are often toxic, corrosive, reactive or flammable - so proper disposal will ensure safety to your family and community. Below are the acceptable & unacceptable materials for the NO HAZ collection events.

### Acceptable Materials

#### Household

- Ammonia cleaners
- Bleach
- Cleaners & polishes
- Mothballs
- Aerosol cans
- Drain cleaner
- Household batteries

#### Home Improvement

- Paint
- Paint removers
- Paint thinners
- Wood stain
- Wood varnish
- Wood preservatives
- Driveway sealers
- Asphalt / roofing tar
- Adhesives

#### Miscellaneous

- Propane cylinders
- Pesticides
- Cooking oil
- Photo chemicals
- Reactives
- Fluorescent lights
- Herbicides
- Mercury thermostats & devices
- Acids

#### Automotive

- Auto batteries
- Auto fluids
- Engine degreaser
- Gasoline
- Motor oil / filters
- Starter fluid

#### Medical

- Needles
- Syringes
- Mercury thermometers
- Expired medicines

#### Electronics

- Computers & electronic equipment
- Smoke detectors
- Radon detectors
- Carbon monoxide detectors

### Unacceptable Materials

Ammunition, Explosives, Firearms

### **NO HAZ Collection Events**

You don't have to wait until NO HAZ comes to your community - choose the date and event that is most convenient for you. Pick up the NO HAZ brochure at your local municipality for a list of available collection events or visit the website for more information.

### **About the NO HAZ Consortium**

Many communities in Oakland County have come together to provide residents a safe and environmentally responsible way to dispose of HHW. The Consortium's goal is to provide regular, reliable and easily accessible HHW collection services to its residents. Residents of any NO HAZ Member Community may participate in any of the HHW Collection Events. For more information, call the NO HAZ hotline at (248) 858-5656 or visit the website at [www.nohaz.com](http://www.nohaz.com).
