

EQUAL ACCESS

TO ALL HOUSING OPPORTUNITIES

IS THE LAW

The Fair Housing Act prohibits discrimination in housing based on race or color, national origin, religion, sex, family status or disability.

FAIR HOUSING IS YOUR RIGHT- USE IT!

- Race should not be part of a housing discussion
- Children can live in apartments
- A reasonable accomodation will not raise your rent
- Non-English speakers can rent a home
- You can live in the community of your choice
- Lending institutes cannot charge higher interest or fees based on race or national origin

If you feel you have been discriminated against, Oakland County Community & Home Improvement Division can help.
