

## Keep Your Medicaid Health Insurance!

### Did you know?

Starting **January 1, 2020**, Michigan law requires some people with Medicaid healthcare coverage through the Healthy Michigan Plan (HMP) to work or do other activities, like search for a job for at least 80 hours each month.

### How could this affect me?

If this new requirement is not met, **you may lose your HMP healthcare insurance.**

### How do I keep my healthcare insurance?

- 1) You must complete and report 80 hours of work or work activities every month to the Michigan Department of Health & Human Services (MDHHS) through [www.michigan.gov/mibridges](http://www.michigan.gov/mibridges). **OR**
- 2) You must report an exemption (reasons to be excused). If you are unsure if you need to report your exemption, complete and submit the form found at [www.michigan.gov/mibridges](http://www.michigan.gov/mibridges).

### Who can I call to ask questions?

- Nurse On Call Monday - Friday, 8:30 AM - 5:00 PM at **800.848.5533**.
