

Spirit of Main Street Micro Business Startup Grant Program

Description

In an effort to support the attraction, retention and growth of small businesses in our historic downtowns and commercial corridors, Main Street Oakland County (MSOC) has partnered with Genisys Credit Union to create the Spirit of Main Street Micro Business Startup Grant Program. This grant program is designed to complement MSOC economic vitality efforts, support entrepreneurship at the local community level, and is geared for businesses not more than five years old or preparing to open.

Pop-up businesses are eligible provided they have been open in the downtown district on a consistent basis over a period of six months. One time event pop-up businesses *are not* eligible.

Conditions: All applications are reviewed by and award determinations made by representatives of Genisys Credit Union and MSOC. Genisys Credit Union and MSOC reserve the right to decline grant applications that are not consistent with the National Main Street Program and/or the vision and masterplan of the local Main Street community. All projects must have appropriate zoning, permitting and historic district approvals if required by the municipality.
