DID YOU KNOW?

84 percent of the educators who attended (in 2018) said MiCareerQuest Southeast was an effective way to showcase careers to their students.

MiCareerQuest Southeast is coming this fall and the excitement is building! Last year's event drew more than 8,000 students and 500 chaperones. Based on the initial interest so far this year, we are expecting even more schools to participate in 2019.

Your students will be introduced to the most in-demand jobs in advanced manufacturing, construction, health sciences and information technology. Exhibitors are developing hands-on, interactive activities to highlight the skills your students need to pursue a broad range of career opportunities.

Starting **August 15**, you can register the number of students you plan to send to MiCareerQuest Southeast.

Please calculate this number carefully, for there is limited space available in each of three sessions:

- 8:15 to 10:15 a.m.
- 10:15 a.m. to 12:15 p.m.
- 12:15 to 2:15 p.m.

You will have the opportunity to select your preferred session.

We recognize arranging bus transportation can be a challenge, so please take steps now to assure your students will be able to get to the event on time. Schools traveling the farthest will be given preference for the mid-morning session.

In late summer, you will receive notice to register through Eventbrite. Please start your planning now. MiCareerQuest Southeast is an opportunity nobody wants to miss.
